**9430 Details of Planning decisions.**

None

**9431 Correspondence**

None

**9432 Planning updates and general information**

The clerk stated that there was a meeting the following week discussing the electronic planning and the LDF core strategy. Cllr Voyce gave a brief update on the Pelham appeal and the allowance of plans for a second bridge to be included in the appeal procedure. The inspectorate was going to have one evening session for groups of residents to have one representative state their views. At present it was estimated that the enquiry itself (to be held in January) would take approximately 11 days. It was highly likely that Polegate Town Council would hold an exhibition for residents to view the plans as they were not actually part of a planning application.

GallifordTry are holding a second public exhibition at the red Lion Stone Cross. Councillors had already been invited to the private session.

The meeting closed at 7.10pm
