8136 Update from Standing Committees and Working Groups

Buildings

Cllr Mrs Berry was concerned that no other quotations had been obtained for the works being considered. The clerk informed Cllr Mrs Berry that the works on the shower room ceiling at the Pavilion would have to be carried by the specialist company as per the notes. However if she wished the office to obtain further quotes for the other work she would do so however the company who had supplied the quotation listed was a specialist in the field. Cllr Mrs Berry was satisfied.

Resolved to adopt the recommendations contained in the notes dated 11 June 2008.

Gardens/ Christmas Lights Working Group

The group had visited all the areas of Polegate and drawn up a short list of gardens – the final visit would be on Thursday 24 July 2008

Cllr Cunningham suggested that the Community School may like to make the boxes in their workshops as part of their Technology Project – the Clerk would contact the school and ask.

Cllr Watkins was still concerned over the metal strip which may cause a trip hazard at the Recreation Ground.

Members felt that seats at the recreation ground would be an advantage

Sponsorship of seats would be referred to Finance for further discussion.

Youth

Strengthening Local Relationships (Traffic & Transport Group)

Cllr Voyce was concerned that following a newspaper report in which Mr N Baker had stated that he was to write to ESCC requesting one –hour Parking restriction in the residential streets around the station say between 10 – 11.00 a.m.

Resolved that the Clerk should write to ESCC (copy to Mr N Baker MP) opposing this suggestion as Council had been in long negotiations with both residents and Highways Officers to try and sort out the parking situation around the Town Centre and it was felt that this would be detrimental to residents in these areas.

Cllr Shing left the meeting
